

PAINTED NECKLACE KIT

DESIGN TWO PENDANT NECKLACES WITH PAINT AND BEADS!

TIPS & TRICKS

- Leave at least 2 inches at the end of your string to give you enough room to tie a double knot.
- Use your leftover paint and gems to make another artwork on paper!
- Turn one of your pendant necklaces into a super special gift for someone you love!

MATERIALS

- 2 wood pendants
- Paint
- Paint brush
- Glue
- Assorted gems
- assorted beads
- Jewelry Box

INSTRUCTIONS

1. Start by adding beads to both of your necklaces. You can make a random design or try to make a pattern. Don't forget to tie a double knot at the end!
2. Next, paint your pendants. Try mixing colors to make your own new ones!
3. Once it dries, glue on assorted gems to make your necklace sparkle!
4. Once both pendants dry, you can paint and decorate the other side too.
5. Decorate your jewelry box using any leftover paint, glue and gems.
